

Order Copies of the Cove Hopping South Charts

These are not artists' renditions, but selected areas of actual US government nautical charts. The same ones that appear in scaled down versions on the pages of the Cove Hopping South Books. These are full scale 8½" x 11" copies laminated in plastic so they will resist the damaging effects of sun and sea. See the order form below.

(Order by chart name, as page numbers may vary slightly according to editions)
